Executive Biographies

Frank Martin

Vice President, Finance and Controller

Frank Martin is vice president, Finance and Controller for Ingalls Shipbuilding, a division of Huntington Ingalls Industries. In this role, Frank is responsible for leading all aspects of accounting, program finance, financial planning, risk management and EarnedValue Management System (EVMS) functions.

Frank brings 31 years of experience to the Finance and Business Management organization, having held positions of increasing responsibility in Financial Analysis, Program Accounting, Financial Planning and Program Business Management.

Frank earned a bachelor's degree in accounting from Millsaps College. He is a graduate of the Gulf Coast Business Council Masters Program and "Creating the Future" Executive Education at the University of Virginia, Darden School of Business. Frank also holds a Six Sigma Green Belt.

Huntington Ingalls Industries is America's largest military shipbuilding company and a provider of professional services to partners in government and industry. For more than a century, HII's Newport News and Ingalls shipbuilding divisions in Virginia and Mississippi have built more ships in more ship classes than any other U.S. naval shipbuilder. HII's Technical Solutions division provides a wide range of professional services through its Fleet Support, Mission Driven Innovative Solutions, Nuclear & Environmental, and Oil & Gas groups. Headquartered in Newport News, Virginia, HII employs more than 42,000 people operating both domestically and internationally.
