

IMPORTANT INFORMATION ON VACCINATIONS

Appointments are required for vaccinations in Mississippi, Alabama and Louisiana. Each state has specific eligibility requirements. Please contact your state health department to determine eligibility.

Mississippi State Health Department Sites

Vaccination appointments can be scheduled through their website:

<https://msdh.ms.gov/> or by calling the **Mississippi COVID-19 Hotline** at (877) 978-6453.

Singing River Health System Sites

As Singing River Health System receives doses of the vaccine, information about appointments will be available through their website: www.DoWhatItTakes.org or by calling their **COVID Vaccine Hotline** at (228) 809-5555.

Alabama State Health Department Sites

Vaccination appointments can be scheduled through their website:

<https://govstatus.egov.com/vaccine-eligibility-form> or by calling the **Alabama COVID-19 Vaccine Scheduling Hotline** at (855) 566-5333.

Louisiana State Health Department Sites

Individuals must contact a participating location to make an appointment. For a list of locations and contact numbers, visit the Louisiana State Health Department website:

www.ldh.la.gov/covidvaccine-locations/.

Pascagoula, Biloxi, & Gulfport Walmart

Vaccination appointments can be scheduled through their website:

<https://www.walmart.com/cp/1228302> or by calling the Pascagoula, Biloxi, & Gulfport Walmart directly.
